

## **CREMA**

### **IIE LUCA PACIOLI AND IES PABLO SERRANO EXCHANGE**

Some students of 4th ESO and 1st Bachillerato have been in the North of Italy, doing an Exchange in English with people from Crema. We left Spain Friday, 10<sup>th</sup> March and we returned Friday, 17<sup>th</sup> March.

We have visited a lot of cities and important places like Venice, Verona, Sirmione, Bergamo, Crema, Milan... The most beautiful place, in my opinion, has been Venice. Also, we have been in their school. It's very different. We were doing a lot of activities and we were in some classes.

I have met a lot of people, we have learnt a lot of things about their culture and food habits and my correspondent and I have become very good friends. I felt as if I were at home with my correspondent (Gabriele) and his family. I loved this experience and I want to return to Italy and see Gabriele again soon.

In **Verona** we visited the Cathedral where Romeo and Juliet "got married", a Medieval Castle and its bridge. We also walked around the city seeing different monuments and the centre of the city: "the Piazza delle Erbe" that was the forum in time of the Romans. Finally, we visited Juliet's house and took a photo of the statue and entered the Roman amphitheatre called "the Arena".

When we visited **Garda Lake**, it was so cloudy that we couldn't see the opposite shore. However it was a beautiful landscape. We saw the lake from Sirmione. We took a lot of beautiful pictures and we saw the old city centre and the castle " Rocca Saligera".

**Crema** is a beautiful city and not very big. The centre of the city is really beautiful because there are many churches and old buildings. Many buildings are decorated with the Venetian Lion with wings because it was the symbol of the Venetian Kingdom and Crema was part of it. The streets are very beautiful and they have the typical Italian style. We visited the Duomo's Square, The Town Hall, the Lycee, ...

#### **A WEEKEND WITH MY HOST FAMILY**

On Saturday morning, my correspondent, her cousin and I went to Milan. We saw "Il Duomo". It's very big and impressive. We also visited Vittorio Emanuele's Gallery, Sforzesco castle and

we went shopping. In the evening we went to the restaurant with all the students and teachers from the exchange, to a pizzata, and after dinner I hanged around with my friends.

On Sunday, we had a nice surprise as another student from Norway came to the house in an exchange programme as well. We went biking near a lake, then we had lunch altogether it was a wonderful lasagna and for dessert, my Italian mum made ice-cream. In the afternoon we went to Crema for a walk. It was a fun weekend!!!
